Seven Reasons to Join Epic Church's Launch Team

1. It's a Fresh Start

Perhaps you went to church in the past and have gotten out of the habit. If it's time for you to jump back in, Epic Church is ready to help! We're a new church, so everyone who comes will be new like you!

2. You'll be Accepted

It doesn't matter where you have been or what you have done; we would love to have you be a part of our church. There are no perfect people allowed at Epic Church!

3. We Like to Have Fun

We think church shouldn't be boring. We like to laugh and have a good time...in fact, we believe that God wants us to enjoy life!

4. People Dress for Comfort

There's no dress code. Come just as you are! We don't care about what's on the outside, only what happens on the inside!

5. The Service Moves

We put a great deal of thought and planning into our service so that when you come you will be engaged from the first minute. There's no long boring service here. You'll get to hear fresh new songs and practical teaching that applies to your everyday life.

6. We're Not Churchy

We're just real people who are looking for an authentic relationship with God and others.

7. We Love Kids

We think kids are a vital part of our church. We are developing exciting programs and activities for your kids every week!
